

# Applied Mathematics 221

Project Milestone 1: Proposal

David Freed and Sam Green

February 22, 2016

## **1 Collaboration**

This project will be completed by David Freed and Sam Green. We intend to work collaboratively on all aspects of the project and will divide specific implementation tasks based on our previous experience as they arise.

## **2 Problem Statement**

## **3 Data**

## **4 Deliverables**

## **5 Next Steps**
